### AVOID:

\*\*\*Please avoid any substitutes. This percussion supply list contains the basic set of equipment that will be used and built upon throughout your student's musical career.

### Private Lessons

Private instruction is available for your child from local professional musicians. Private lessons are not required; however, they are strongly suggested and will give your child an opportunity to progress more quickly. A weekly lesson is 30 minutes long, and the average rate per lesson is \$18. Information will be given in August about signing up for private lessons.
