

MCLEAN 6TH BAND

Trombone

Please take this information to the music store when you get your instrument.
You will be responsible for the following instrument and accessories.

Recommended Trombone Brand/Model-Rent or Purchase from Music Store:

King 606 or Yamaha 448G

(Yamaha model with F attachment will allow you to not need to get a step up instrument for middle or high school)

We have seen very consistent success with the particular trombone brands and models listed because they are very well made and easier for students to produce the correct fundamental sound. The music stores listed below will have a selection of new and used instruments, and you can rent to own. If you are considering any variation of the brand/model on our list, please contact us to set up an appointment so we can assess the instrument to make sure it is the right quality for your child to be successful.

Required Accessories-Purchase from Music Store:

Bach 6 ½ AL Mouthpiece

Mouthpiece Brush (cleans the inside of the mouthpiece)

Polish Cloth-untreated (cleans the exterior of the trombone)

Slide-O-Mix Slide Oil (lubricates the trombone main slide)

Slide Eze Slide Grease (lubricates the trombone tuning slide)

Trombone Water Bottle (small water bottle to keep main slide from drying out)

Rhythm Master Book 1, Trombone by J.R. McEntyre & Harry Haines

Folding Music Stand (ensures proper playing technique while practicing at home)

½ inch binder, zipper pencil pouch, & pencils

Where to buy:

As with any purchase, it is best to explore as many options as possible before you buy. Here are a few options for you, please feel free to call or email if you have any questions.

Local Stores:

Local stores are the best option if you are unsure about what you are buying. They will know exactly what instrument brand and model you will need and will have different rental options that mail-order companies will not. They will also be able to do different repair/warranty deals.

Mail-Order Companies: This is the best option if you want to buy straight out without renting or financing, which in the long run could save you hundreds of dollars. These companies are well respected. Please be very specific about the brand and model you are looking for. Also, these companies may not have all the required accessories.

Facebook Marketplace, eBay, Pawn Shops: This option has the highest risk, but you could also get a great deal. I would not buy anything sight unseen without a money back guarantee! Also, ask the seller if you can have a “third party evaluation” done. This is where the seller takes the instrument to a reputable music shop, preferably one you pick, and has it inspected for quality. You then communicate directly to the shop rather than the seller. This can be a lot of extra work, but you might be able to get a great deal.

When you acquire the instrument, IT IS EXTREMELY IMPORTANT that the student or other family members not be allowed to “play” the instrument before instruction has been given! Your child will develop bad habits that are very difficult to break, and the well-meaning family member may break the instrument or its accessories which could result in a costly repair or replacement.

Private Lessons

Private instruction is available for your child from local professional musicians. Private lessons are not required; however, they are strongly suggested and will give your child an opportunity to progress more quickly. A weekly lesson is 30 minutes long, and the average rate per lesson is \$20. For lesson contact info, go to: <https://www.mcleanmsband.com/private-lessons.html>

Welcome to the band family. If you have any questions or concerns, please do not hesitate to email me at lindsey.traughber@fwisd.org or call at 817-814-5761. I want to do everything to make this a positive experience for you and your child.

Thank you and welcome to the McLean 6th Grade Band!
